

Deutsche Bank – CareER Scholarship Program 2026

The scholarship award is set up to give recognition to students with disabilities or special educational needs (SEN), who also have a strong interest and passion in the business, banking, and finance industry in Hong Kong, in the pursuit of excellence in participating in community services and commitment to the community, achievement in extra-curricular activities and their willingness to challenge themselves to experience new exposures.

Eligibility & Criteria*

- Any students with disabilities/SEN, regardless of race
- Holders of a valid Hong Kong Identity Card
- Current students (2025/26) of local higher education institutions, regardless of the funding source of the institutions, i.e. both self-financing local programmes and publicly-funded programmes are eligible
- Priority will be given to applicants with lower average monthly household income AND strong records of community involvement and achievements

* Please refer to the application guidelines for details

Value of Award

HK\$25,000 each for 5 scholarship offers

3-month Mentorship Program
